**Steps to locate entry-level positions:**

**1-** Go to this site: <https://ups.managehr.com/JobSearch.aspx>

**2-** You can enter the name of the position you're looking for in **Advanced Search**, OR  
Select the **State** or **City** for where you're looking for work.  
Hit the yellow **SEARCH** button.

**3-** Your search results will appear. Not all listings have immediate openings.

- Select a job title to read more about it.
- If you don't see the position or location you are looking for it may not be available.
- Use the search filters at the top of the page to search for an exact position or location.
- If you have a valid Class-A Commercial Driver's License with Haz-Mat endorsement you will be qualified for more positions.

**4-** When you find a position you're interested in and qualify for, click **Apply To This Position**, in the top right corner of the job description page, and follow the instructions to apply.
